

RYA Day Skipper Shorebased

This course is the ideal starting point for those who aim to be a skipper and command their own vessel, sail or motor.

Approaches the basic concepts of navigation and seamanship with the purpose of providing the essential knowledge to navigate in familiar waters and under the effect of tide.

It's a great way to prepare for the RYA Day Skipper practical (sail or motor) or the Advanced Powerboat courses.

It's available in a class based format (40 hours in a classroom, followed by an exam) or by distance learning.

This course provides the fundamental Knowledge required for RYA Day Skipper Practical
